

**MOZAMBIQUE PORTS AND RAILWAYS**  
**PORTOS E CAMINHOS DE FERRO DE MOZAMBIQUE, E.P.**

## **ADVERTISEMENT FOR THE PRE-QUALIFICATION BID**

### **FOR THE REHABILITATION MODERNIZATION AND EXPANSION OF RESSANO GARCIA RAILWAY LINE, MAPUTO, MATOLA AND GARE DE MERCADORIAS RAILWAY YARDS**

The Public Company, MOZAMBIQUE PORTS AND RAILWAYS, intends contracting Consultancy Railway Companies, for studying, designing and supervision for the rehabilitation, upgrading and modernization project of Ressano Garcia Railway line, Maputo Port and Matola Port railway yards and Gare de Mercadorias railway yard in Maputo Province - Mozambique.

The rehabilitation, upgrading and expansion of Ressano Garcia railway line and the railway yards of Matola and Maputo ports including the railway shunting yard of Gare de Mercadorias come as a result of greater demand railway traffic which justify the need of improvement in infrastructures that can respond to the growing traffic both in goods and passengers generated not only in Mozambique but also South-Africa including countries from the Hinterland.

National and Foreign Consultancy firms with extensive knowledge and expertise in railway infrastructures design and supervise and willing to participate in the bidding should manifest their interest by sending a written intent or through an e-mail to the following address below not later than 15:00PM (Mozambique local time) on 28<sup>th</sup> February 2013.
