SOUTHERN AFRICAN NETHERLANDS TRANSPORT FORUM

CORRIDOR_DEVELOPMENT

APBC STRATEGY

SANTF aims to further
STRENGTHEN, IMPLEMENT, AND COORDINATE
all areas of cooperation in the field of:

- TRANSPORT
- INFRASTRUCTURAL DEVELOPMENT
ON A PRIVATE SECTOR LEVEL

SANTF shall initiate and promote bilateral activities
to the mutual benefit in countries of the **SOUTHERN
AFRICAN DEVELOPMENT COMMUNITY(SADC)** and foster the
private sector to engage in mutually beneficial trade &
investment activities by means of

AWARNESS of SADC corridors

PROMOTION of utilization of SADC corridors

BUILDING of business partnerships and
public private partnerships

CONTRIBUTION to mutually-beneficial,
sustainable socio-economic growth
in the SADC region

Your Gateway to the Corridors

BACKGROUND

SANTF was established in 1999 by the Dutch Ministry of Transport, Public Works and Water Management and the South African Department of Transport.

As of 2003, the secretariat of SANTF was moved to SANEC. This ensures a high standard for all SANTF activities that focus on promoting and further developing business relations in transport and infrastructural development.

For more information please visit the SANTF website on www.santf.org

or email SANTF at info1@santf.org
infos2@santf.org
