10th annual

Africa Ports & Harbours Show 2013

Co-located with:

Africa's largest ports,
terminals and harbour
infrastructure show

Conference: 24 – 27 June 2013

Exhibition: 25 – 26 June 2013

Sandton Convention Centre, Johannesburg, South Africa

created by

terrapinn
use your brain

10 reasons to attend

Secure your business

The Africa Ports & Harbours Show is the continent's leading ports, harbour, terminals and maritime event. It is Africa's only ports, terminals and harbour infrastructure exhibition and conference with attendees from all over Africa. It is supported by government, major cargo owners and industry alike.

The Africa Ports & Harbours Show is a unique exhibition and conference designed to assist port & terminal operators, cargo owners, investors and government to optimise their investment into port infrastructure, boost productivity, prioritise their security strategies and meet sustainability targets

- 1 Learn how to attract private investment for your port or terminal expansion project
- 2 Discover how government can unlock economic growth through port and harbour developments
- 3 Capitalise on the commodities boom by optimising your transport facilities and attract cargo owners
- 4 Garner insights on how to collaborate with a port to ensure efficiency
- 5 Learn how to reduce congestion and develop an efficient intermodal model
- 6 Find out how to increase the capacity of your port or terminal
- 7 Get updates on current and largest African port and terminal expansion projects
- 8 Understand how to reduce turnaround time of vessels
- 9 Learn how to how to develop an African maritime security strategy
- 10 Realise how to apply global maritime & shipping standards in your port terminal operations

View the conference website on your phone

Day One

Maritime, Terminal & Port Security Day – Monday 24 June 2013

07:30 Registration and welcome refreshments

08:50 Opening remarks from the Chairman

Commander Seshadri Vasan
Head Strategy and Security Studies
Center for Asia Studies, India

AFRICA'S SECURITY LANDSCAPE

09:00 Global trends in port and maritime security – how they will affect your business

Hans Niebergall
CEO & President
South Asian and African Regional Ports Security Cooperation, United States of America

09:30 How to develop an African maritime security strategy

Nancy Karigithu
Director General
Kenya Maritime Authority, Kenya

10:00 The role of maritime authorities in the enforcement of port security - an African perspective

Ronny Mkhwanazi
Board Member
SAMSA, South Africa

10:20 Morning refreshments and networking

11:00 The impact of governments security policy on private sector investment

Sello Rasethaba
Chairman
Xpanse Worldwide Shipping, South Africa

TESTED STRATEGIES

11:20 How to apply global maritime standards to shape the future of the maritime industry in Africa

Julian Abril Garcia
Head, Facilitation Section, Sub-Division for Maritime Security and Facilitation, Maritime Safety Division
IMO, United Kingdom

11:40 How to protect your economy from the increase of smuggling

Clifford Collings
Head: Anti-Corruption and Security
South African Revenue Services

12:00 Networking luncheon

13:30 How to protect Africa's burgeoning oil & gas sectors are using maritime tracking

Jason Nagy
Africa Business Development Manager
U.S. Trade and Development Agency
U.S. Consulate General, South Africa

14:00 Building credible maritime architecture - addressing maritime security challenges

Commander Seshadri Vasan
Head Strategy and Security Studies
Center for Asia Studies, Chennai

14:30 How to adapt global port security best practices to suit Africa's security challenges

Captain Henk Wester
Port of Maputo
Mozambique

15:00 Afternoon refreshments and networking

RISK AND INSURANCE

15:30 Enhancing resilient regimes in African countries to impact their participation in global supply chain security

Nelson Masophi
Port Security Officer: Port Elizabeth
Transnet, South Africa

16:00 Selecting the latest surveillance, communication and protection technology for your port or terminal

Titus Tsowaseb
Chief of Security
Namibia Ports Authority

16:30 Closing remarks by the Chair & end of day

register now The earlier you book the more you save.

POST conference workshops

Workshop

Thursday 27 June 2013

How to introduce intermodal efficiencies

Objective
This workshop aims to show case best practise to help port, terminal and railway operators to optimise their hinterland intermodal operations.

- 08:30** Registration and refreshments
- 09:00** Introduction to co-modality
- 10:00** How to streamline people, processes and systems
- 10:30** Morning refreshments and networking
- 11:30** How to develop highways of the sea
- 12:30** Networking luncheon
- 13:30** Operational, regulatory and resource constraints – how to handle these
- 14:30** Logistics, urban mobility and intermodality
- 15:00** Afternoon refreshments and networking
- 16:00** Key issues summary
- 16:30** End of workshop

Your workshop leader

Peter Wolters
Secretary General
European Intermodal Association

For more information on the workshop and speaker go to www.terrapinn.com/africaports

“The conference is really an eye opener to various port development projects and their success stories”
 Peter Lobaty, Director SUMATRA, Tanzania

Transport Africa awards ceremony

Tuesday, 25 June 2013
Maroela Room, Sandton Sun, Johannesburg

The annual Transport Africa Awards is a celebration of the shining stars of the African transportation industry. The Transport Africa Awards ceremony will be the networking event of the year and the chance to identify and reward those companies who have demonstrated an unparalleled ability to succeed and have continually-set standards of excellence.

Entries for the Transport Africa Awards 2013 are now open and all industry players are welcome to participate. Go to <http://www.terrapinn.com/exhibition/africa-ports/awards.stm> for our online registration form. Follow the steps and fill out the form to ensure your entry. Sponsorship of the Transport Africa Awards is the perfect way to associate your organisation and brand with excellence in the transport industry. Sponsoring will highlight the role you play in facilitating this success and being an integral part of the forward development of the industry.

The 9 categories hotly contested in 2013

- | | | |
|---|--|---|
|
1
Transport Personality of the Year |
2
Transport Supplier of the Year |
3
Best African Rail Operator or Concessionaire |
|
4
Best Port/ Harbour Operator or Terminal in Africa |
5
The Best Financial Support in the Transport sector |
6
The Best African Project Team within the Transport sector |
|
7
Best Skills Contributor |
8
The Transport Green Award |
9
The Transport Safety Award |

2013 VOTING OPENS ON 20 MARCH 2013

about our sponsors

To sponsor or exhibit contact Samantha Pickard on +27 (0) 11 516 4033 or email samantha.pickard@terrapinn.com Limited space remains so don't delay!

Platinum partner

SAMSMA delivers four main outputs consistent with its mandate and responsibilities:

- Safety and environment protection standards for responsible maritime transport operations;
- An infrastructure for monitoring and enforcing compliance with safety and environment protection standards;
- The capability to respond to marine pollution incidents and other maritime emergencies; and
- The capability to detect, locate and rescue people in maritime distress situations.

The organisation's objective is to lead and champion South Africa's maritime interests as custodians and stewards of maritime policy, vigorous promoters of the maritime sector and giving full and complete effect to our obligations for the benefit of all stakeholders.

Silver partner

Mott MacDonald is a global management, engineering and development consultancy bringing award-winning expertise to rail, road, airport, port and harbour projects in Africa and world-wide. Covering strategy, finance, planning, design, construction and operation, we add value and save time and money for developers, funders, road/rail operators, port/airport authorities, oil companies and contractors.

Gold partner

Arup's global reach makes it possible to deliver a wide range of challenging work, with the flexible and efficient organisation of its staff making sure that the right people are always working on the right project, regardless of the location. A worldwide network of technical expertise, combined with local knowledge and personal service, help meet and exceed clients' expectations. Arup's work is characterised by outstanding solutions, innovation and value.

Our port experience covers a broad range of services, including:

- Port planning and operations
- Port infrastructure
- Fuel and LNG terminals
- Coastal engineering
- Waterfront development
- Recreational marine facilities
- Inspection and repair
- Naval architecture

Event partner

Transas (TRANsport Safety Systems) is a world-leading developer and supplier of a wide range of high-technology marine products including Marine Onboard Equipment (ECDIS, Radar, Conning, Integrated Navigation Systems, AIS), Electronic Navigation Charts (ENC & SENC), Training Solutions (Navigational simulators, Cargo Handling Training solutions, GMDSS Simulators, etc.), Vessel Traffic Management and Monitoring Solutions (VTMS).

Transas VTMS and Monitoring solutions include Coastal Surveillance System, AIS Network solutions, Crisis Management Systems, Offshore Surveillance, Fleet Management and other security solutions designed specifically to provide situational awareness and navigation information, facilitate vessel and other object identification and tracking, and enable comprehensive traffic planning in coastal and regional areas.

Transas recent development is a comprehensive top-of-the-line solution - the Port Management Information Systems (PMIS), designed for real-time planning and management of major port operations. In addition to its main features, the PMIS can be integrated with VTMS software to provide extensive functionality for improving port management and efficiency.

If you want to position your company as a port and terminal industry leader and meet face – to – face with prospective clients then call us to chat about marketing and exhibition opportunities: Contact Samantha Pickard on +27 (0) 11 516 4033 or email samantha.pickard@terrapinn.com
